

Nadeem's note to WCC executive Committee meeting – Thursday 27th Jan 2026.

“Jasper's Great idea” -

The Walking Cricket Centenary Tournament will be a mixed-gender, aged 50+ festival-style event held at Winsley CC on a Sunday in July (date TBC once fixtures are confirmed)). Four games will run simultaneously using an 8-a-side pairs format, with staggered start times so local teams begin earlier and travelling teams later. Josh Norgrove will invite teams via Crispin Springer - Gloucestershire Community Cricket Foundation and Somerset Cricket Foundation, with all teams completing their own pre-medical checks. We expect 150–180 attendees, so the day will require a fully stocked bar, BBQ, parking marshals, seating and shaded rest areas, first aid provision, umpires, scorers and around 12–14 volunteers. All coordination, schedules and safeguarding information will be managed through ClubSport365, and the event will also act as the launchpad for establishing a permanent 50+ Winsley Walking Cricket team as part of the club's centenary legacy. Jasper is awaiting confirmation from Guinness Book Of Records to see if the event might establish a new record in terms of largest number of walking cricket participants on a cricket event – regardless of outcome – it's a wonderful initiative from our younger members to lead on a project. I am delighted to be asked to support. More details to follow – we are working on the logistics and plans. I will keep everyone updated – please support by signing up as volunteer or even better participating if aged 50+!

WINSLEY CC – WALKING CRICKET CENTENARY TOURNAMENT

DRAFT EVENT PLAN

Prepared by: Jasper Richards, Josh Norgrove and Nadeem Ahmed

Event Leads: Jasper Richards and Josh Richards , supported by Nadeem (Safeguarding) & Nick Swinburne (Operations)

Status: Draft for Executive Review – Thursday

1. Event Purpose

- Celebrate 100 years of Winsley Cricket Club with a flagship community event.
- Host a Walking Cricket Tournament for players aged 50+.
- Promote Walking Cricket locally and use the event to launch a permanent 50+ Walking Cricket team as part of the club's centenary legacy.
- Showcase inclusivity: mixed-gender participation encouraged.
- Provide a festival-style day that strengthens community ties and raises the club's profile locally and cricket community in our region..

2. Date & Venue

- Date: To Be Confirmed
 - Dependent on confirmation of club fixtures.
