# A Word From Our President

2026 marks the centenary of Winsley Cricket Club – 100 years of cricket, community and inclusivity at the heart of the village.

For a century, the club has brought people together across generations, providing cricket for all ages and abilities, a welcoming and inclusive environment, and a focal point for village life. As we celebrate this milestone year, we are looking to partner with local businesses who want to support our commitment to the local community as we celebrate our heritage and plan for our future.

For 2026 we have **revamped our partnership offering to increase the range and diversity of packages available to our sponsors**, as well as providing the opportunity to get involved with the extensive programme of centenary events that we have planned throughout the year.

By supporting the club in its 100th year, you will be helping us to:

- ✓ Protect and enhance a historic village institution
- ✓ Invest in junior cricket and future generations
- ✓ Maintain our ground and facilities for years to come
- ✓ Engage with local families and community groups
- ✓ Keep cricket accessible and affordable for all

If you'd like to support Winsley Cricket Club in this landmark year – or simply explore how a partnership could work – we would love to hear from you. To do so, please get in touch with our Partnerships Officer using the contact details above.

Thank you for helping us celebrate 100 years of village cricket and build the next chapter in our club's history.

Kind regards,

**Nick Swinburne** (President, Winsley Cricket Club)

# Winsley CC Partnerships: Our Structure & Reach

## A New Partnerships Structure for 2026

Our partnership model has been revamped for 2026 and is deliberately structured to be flexible, accessible and value-led. Rather than a one-size fits all approach, we offer a broad range of options – from title sponsorships and team partnerships, through to individual player sponsorships and event partnerships.

Pricing reflects the scale of exposure and the nature of engagement. Higher-level partnerships deliver greater visibility and deeper integration into clubs communications and events, while lower-cost options provide focused, high-impact touchpoints around specific teams, matches, and players. Importantly, each package combines a physical presence with digital reach, ensuring partners benefit from repeated and varied brand exposure rather than a single moment of visibility.

Crucially, these partnerships are designed to deliver value on both sides. For partners, they offer trusted local reach, positive brand association and opportunities for direct engagement with the community. For the club, partnership income supports junior cricket, facilities, inclusivity and the long-term sustainability of local sport.

By structuring partnerships in this flexible, transparent and impact-driven way, we want to ensure that every partnership feels purposeful, measurable and aligned with shared values. Thank you for considering partnering with Winsley Cricket Club in its centenary year.

Kind regards,

**Chris Mann** (Partnerships Officer)

# Match Sponsorship

## Overview

We are inviting local businesses to sponsor individual match days at Winsley Cricket Club in 2026. Match sponsors play a visible role in supporting grassroots sport while gaining meaningful exposure to local residents, visiting teams, and families who attend our games throughout the season. Match days are social occasions as well as sporting ones, bringing together players, supporters and the wider village.
