NH opened the meeting by thanking everyone for handling what has been a trickier period well. People's communication, availability and personal accountability for marking the app, turning up etc has needed a lot of effort, time and investment. NH asked everyone to continue doing the right things, calling out poor behaviours and ensuring we act on everything in a measured and appropriate way. NH reminded everyone of the vast number of positive things we achieve and how far they outnumber the negatives. We agreed we should remember that and the good we do in difficult moments.

4. Youth Cricket

Two weeks of all stars and dynamos until we wrap up. Chris and team thanked for all their efforts

Gareth sent an update pre meeting – some fixtures elements to confirm

NH working through Summer School items. Niall MacDougall has confirmed the plan.

5. Senior Cricket

Some challenging conversations and attitudes being seen around selection. More so than previous years. All agreed no issue will it being challenged but the way people are handling that is a spectrum of different behaviours. Any behaviour towards other players etc will continue to be called out where it is seen and we have the consent to do so.

A discussion was had on how we balance younger players who become available midseason or only play 6-7 games with those who keep us afloat for the 11-12 games those younger players don't play in. We agreed to continue exposing those young players with a record and the right skills, attitude etc wherever we can. Consensus was we are getting it right, but it won't please everyone all of the time, which we are agreed to be comfortable with.

6. Grounds

NH thanked AC, RN, JK and CS for all the work to get the grounds in extreme swings of weather. Half way pitch marks based on our outcome and comparison to others is outstanding

Covered that we will need to be careful with the square, the extremes of weather haven't helped us and mean we will likely need to manage the load at Winsley

7. Budget

All reminded of the constraints we have and the need to encourage revenue across all streams and support Ops Committee by playing our part. Currently on track.

8. AOB

4s meet time to be amended to 12:00 as set up needs longer and people aren't on time.
