1. Safeguarding and welfare

Most DBS remain up to date, odd one to renew – Safeguarding Team will continue to update.

Action: NH asked Irina to sort Iwan Legg and Beckie Chapman DBS for captaincy

We discussed whether First aid logs could and should be added to Club365

Action: Irina to investigate and make a recommendation

2. Actions from Previous Meeting

Blue – outstanding / Green - Completed

Action: Hoses – To be sourced to replace the current ones which are perishing.

Action: Assess a structure around bowling machine use

3. Ladies Cricket

Some behaviour issues had crept into one or two games. EB ran session with whole team to realign us to values and a collective agreed purpose and way of acting together. Everyone was impressed by the session and NH asked for thanks and praise for EB's actions to be documented. A great example of what makes Winsley stand out

Coach coverage was discussed again and reiterated the need for a consistent presence on Tuesday and ideally games in 2027

We are expecting and hearing we will attract some more players particularly for WEPL in 2027. Discussed this might require the Women's squad to sit down and align on purpose and how we manage that to ensure no one is excluded etc. How could we encourage these players to integrate into the club as a whole was discussed

Tuesday 12 August is our Girls Fixture to ensure we meet WEPL requirements.

4. Youth Cricket

Chris Mann and team thanked again for what was achieved

Gareth and Team thanked for the youth season and Friday night contribution. GP raised about a youth presentation, NH confirmed we should have one post meeting by reply on committee group

Action: GP to propose dates and confirm details for youth presentation

NH suggested the standard review and Sept conversation for both areas. Who's continuing and what can we learn from 2026

NH highlighted summer school bookings and profits were down. Someone owning it. Earlier advertising and a move to 9-4 by age group were highlighted as potential changes for 2027

5. Senior Cricket

We confirmed as a group we remain comfortable we are doing our best to manage some tricky selection issues in line with our policies and the club's best interests.

Action: NH to ensure grass net for week 16,17,18 training

We discussed how to manage and aid the movement of players between the 2s and 3s. This has been the most difficult bit due to the change in standard and greater competition. A purpose for the 3s and someone to own the 'project' once defined was agreed as needed

6. Grounds

NH thanked AC, RN, JK and CS for all the work to get both grounds in a fit state in such tough conditions

Covered again that we will need to be careful with the square, the extremes of weather haven't helped us and mean we will likely need to manage the load at Winsley further until we can renovate in the autumn

Renovations booked and cost confirmed by AC of £5200 to cover both grounds. Gordon Gill is booked

7. Budget

All reminded of the constraints we have and the need to encourage revenue across all streams and support Ops Committee by playing our part. Currently on track.

8. AOB

We had a good discussion on how best to allocate playing slots at Winsley. Teams on the whole (bar like the 3/4s where its impossible) were allocated 2/3rds of fixtures at Winsley. The profile of when these are and concessions for some of the games scheduled have led to some discomfort on playing time

The group which had representation from all parts of the club agreed no simple solution but we would gather feedback and reassess in September. Is a physical number or % of games preferred. Discussed some U13 games once a month on Tuesdays going to Southwick to create 3 more home slots...

Action: All to gain feedback and thoughts from team mates
